Response to Beaufort PD Comments

Hi Darrell, to confirm, Imperial Oil Resources Ventures Limited will not be responding to the comments submitted by Environment Canada or any of the comments submitted by other parties during the public comment period on the Beaufort Sea Exploration Joint Venture Drilling Program Project Description.

You had earlier indicated that the EISC is meeting later this week and that our PD is on the agenda. Should the committee members have any further questions during their deliberations you may reach us at one of the following contacts at any time of the day / evening:

Roberta Rosin

- office 403-237-2506

- cell 403-969-3883

Evan Birchard

- office 403-237-3533

- cell 403-999-5055

Evan C. Birchard
