Re: HAMLET OF TUKTOYAKTUK, TOWN OF INUVIK AND GNWT - CONSTRUCTION OF THE INUVIK TO TUKTOYAKTUK HIGHWAY, NORTHWEST TERRITORIES [02/10-05]

Dear Mr. Jim Stevens:

The Environmental Impact Review Board (EIRB) would like to thank you for providing a letter on behalf of the Developer dated January 25, 2011 requesting to extend the deadline for the draft EIS to the end of March 2011.

The Board had a conference call January 28th 2011 to consider the extension request. In considering the request, the Board would like more detail about the reasons for the delay.

The EIRB would like a response from the Developer by February 3, 2011.

Please contact me if you have any questions or concerns regarding this letter.

Thank you,

Eli Nasogaluak
Environmental Assessment Coordinator
