P.O. Box 2120

Dear Mr. Nasogaluak:

**HAMLET OF TUKTOYAKTUK, TOWN OF INUVIK AND GNWT -
CONSTRUCTION OF THE INUVIK TO TUKTOYAKTUK HIGHWAY,
NORTHWEST TERRITORIES [02/10-05]**

I am in receipt of your correspondence of January 31, 2011 requesting additional information on our request for an extension of the deadline to March 11, 2011.

There are a number of reasons for this request. They include the difficulty in sourcing data to address a number of the socio-economic issues in the Terms of Reference and the time required to analyze/incorporate information from recent ILA consultations on routing options. This information was only passed to the proponents in the last week.

I trust this additional information meets the Board's needs. As previous, we look forward to working with the Board and you to complete the review of this project.

Sincerely,

Jim Stevens
