**Re: HAMLET OF TUKTOYAKTUK, TOWN OF INUVIK AND GNWT - CONSTRUCTION OF
THE INUVIK TO TUKTOYAKTUK HIGHWAY, NORTHWEST TERRITORIES [02/10-05]**

Dear Mr. Jim Stevens:

The Environmental Impact Review Board (EIRB) would like to thank you for providing a letter on behalf of the Developer dated February 2nd, 2011 outlining your reasons for requesting an extension of the deadline for the submission of the draft EIS to the end of March 2011.

The Environmental Impact Review Board had a meeting on Feb 17th 2011 and approved the extension request for the submission of the draft EIS to March 31st end of business day. As a result of the extension approval, the environmental impact review schedule was also extended, with the Public Hearings now being scheduled for early October 2011 in Tuktoyaktuk and Inuvik.

Please contact me if you have any questions or concerns regarding this letter.

Thank you,
