

ENVIRONMENTAL IMPACT REVIEW BOARD

NOTICE OF RELEASE of the Draft EIS for Conformity Review

- DATE OF RELEASE:** June 3, 2011
- DISTRIBUTION:** All registered Parties, Public, via EIRB Electronic On-line Registry (EOR),
- PURPOSE:** The Environmental Impact Review Board (EIRB) is releasing the Draft Environmental Impact Statement for the Environmental Impact Review of the *Hamlet of Tuktoyaktuk, Town of Inuvik and GNWT: Construction of the Inuvik to Tuktoyaktuk Highway, Northwest Territories Development Proposal* for conformity review and comment.
- Comment Period:** The EIRB will be receiving comments from the Parties and the Public on the Draft EIS until 5:00 pm MT on Monday, June 27, 2011.
- Comment Submission:** Comments may be submitted in writing or electronically by email, facsimile, Canada Post, or in-person to the EIRB Office.
- EIRB CONTACT:** Eli Nasogaluak
EIR Coordinator,
107 Mackenzie Road, Suite 204
P.O. Box 2120
Inuvik, NT X0E 0T0
867-777-2828 (phone)
867-777-2610 (facsimile)
eirb@jointsec.nt.ca (email)
www.eirb.ca (Web site and EOR access)
- Guidance:** The conformity analysis is a determination of whether the Developer has addressed the requirements of the Terms of Reference for the EIS in the submitted draft EIS. The test of determination is low, and only requires that the Developer has provided information for what was requested. The conformity analysis does not determine the adequacy of the information for completing a technical review.
