Re: Registration as a Participant – review of Beaufort Sea Exploration Joint Venture Drilling Program

Dear Mr. Pierce,

Thank you for your letter on January 8, 2014 regarding the EIRB's official notice for various organizations to be registered as Registered Participants on the review of the Beaufort Sea Exploration Joint Venture Drilling Program.

This letter is confirming the WMAC (NWT)'s intention to register as a Registered Participant when the review of the prescribed project is being undertaken.

Thank you in advance for your consideration of this letter. If you have any questions, please contact the Council's Resource Biologist, James Malone, at (867) 777-2828 or by email at wmacnwt@jointsec.nt.ca

Sincerely,

Larry Carpenter
