

ENVIRONMENTAL IMPACT REVIEW BOARD

- Public Notice -
Participant Registration for the
Environmental Impact Review of the Beaufort Sea Exploration
Joint Venture Drilling Program

Inuvik, NT
February 25, 2014

The Environmental Impact Review Board is conducting an environmental impact review under the Inuvialuit Final Agreement of the Beaufort Sea Exploration Joint Venture Drilling Program.

The developer, Imperial Oil Resources Ventures Limited, is proposing a program and associated support activities that would result in the drilling of one or more exploration wells within EL 476 (Ajurak) and EL 477 (Pokak) in the Beaufort Sea.

To register as participants in the review please contact:
