RE: Participant Registration - EIRB 09-13-01 – Beaufort Sea Exploration Joint Venture Drilling Program – Imperial Oil Resources Ventures Ltd.

In follow-up to correspondence to your office from the Northern Projects Management Office, dated February 11, 2014, Environment Canada would like to formally declare its intention to participate in the environmental assessment of the above mentioned project.

Please include myself and Mark Dahl (mark.dahl@ec.gc.ca, (204) 983-4815) on the distribution list for any correspondence related to the project review.

Please contact me at (867) 669-4744 or loretta.ransom@ec.gc.ca if you have any questions.

Sincerely,

Loretta Ransom
Senior Environmental Assessment Coordinator, EPO
