Dear Mr. Nasogaluak:

**Party Representatives for the Beaufort Sea Exploration Joint Venture Drilling Program
Environmental Assessment**

The Hamlet Council of Tuktoyaktuk would like to be registered as a participant in the above-referenced environmental assessment process.

The residents of this community have had long experience with both the offshore exploration industry and the offshore itself.

We gained the former during the last forty years working with companies such as Dome Petroleum, Esso Resources, Gulf Canada and others.

We gained the latter through centuries of living near and on the waters of the Beaufort Sea.

As a community that expects to both benefit from, and be impacted by the proposed offshore exploration program, we are eager to be involved in any environmental review of that program.

Please identify myself as the primary representative of the Hamlet Council and add the following email addresses to your contact lists:

Mayor Darrel Nasogaluak
Hamlet of Tuktoyaktuk
darrelnasogaluak@yahoo.com

Mr. Terry Testart
SAO, Hamlet of Tuktoyaktuk
tuksao@northwestel.net

Mr. Doug Matthews
Consultant to the Hamlet Council
matthews.energy@gmail.com

I thank you in advance for considering our request.

Yours truly,

Darrel Nasogaluak
Mayor
