**Re: Registered Participants List**

On April 27, 2010 the Environmental Impact Review Board (EIRB) received a referral from the Environmental Impact Screening Committee (EISC) titled: "HAMLET OF TUKTOYAKTUK, TOWN OF INUVIK AND GNWT - CONSTRUCTION OF THE INUVIK TO TUKTOYAKTUK HIGHWAY, NORTHWEST TERRITORIES [02/10-05]". The project description was submitted to the EISC by the Hamlet of Tuktoyaktuk, Town of Inuvik and the GNWT Department of Transportation.

The Operating Procedures for the Environmental Impact Review Board (OP-EIRB) define Registered Participants as:

*Individuals or organizations that formally declare their intention to participate in EIRB public review proceedings within the time limits set by the EIRB.*

Also, under section 12.5, of the OP-EIRB:

*Registered Participants and Representatives of government agencies will be placed on a mailing list, and thereafter will regularly receive all documents designated for distribution to them, including the proponent's EIS (Environmental Impact Statement), subsequent notices and procedural rulings, and other written submissions. Registered Participants can take part in the public review via written submissions or by sending a delegation to the public forum.*

If your group(s) would like to be placed on the Registered Participants list, they must request this by writing directly to the EIRB by June 4, 2010.

Please contact me if you have any questions or concerns.

Sincerely,
