P.O. Box 1720

Dear Mr. Esagok,

**Information Requests for the HAMLET OF TUKTOYAKTUK, TOWN OF INUVIK AND GNWT - CONSTRUCTION OF THE INUVIK TO TUKTOYAKTUK HIGHWAY, NORTHWEST TERRITORIES [02/10-05]**

On March 8, 2012 the Environmental Impact Review Board (EIRB or Review Board) issued two Information Requests (IRs) to the Inuvik Hunters and Trappers Committee regarding wildlife harvesting and the proposed use of Category E lands for the Inuvik to Tuktoyaktuk Highway right-of-way. The Review Board had set a deadline for IR responses as March 30, 2012.

Given the importance of the topics of these requests the Review Board would like to hear from the Inuvik Hunters and Trappers Committee on these issues. However, the Review Board also recognizes that the Inuvik Hunters and Trappers Committee may have capacity issues and we are therefore extending the deadline for a response until August 31, 2012.

Please let the Review Board know if the HTC has any concerns about the timeline set out above.

Thank you,

Eli Nasogaluak
