Dear Mr. Nasogaluak:

Re: Report of Geotechnical Investigations of Proposed Borrow Sources for Inuvik to Tuktoyaktuk Highway

On behalf of the Government of Northwest Territories – Department of Transportation, Town of Inuvik and Hamlet of Tuktoyaktuk, KAVIK-STANTEC Inc. is pleased to submit the following report in seven parts, to the Environmental Impact Review Board during its consideration of the Inuvik to Tuktoyaktuk Highway Project:

Inuvik – Tuktoyaktuk Highway 2012 Borrow Source Investigations: Borrow Sources 170, 172, 173/305, 307, 312, 314/325, 2.45 Summary Reports

The report presents the results of geotechnical investigations of seven potential borrow sources being considered for development during the construction of the Inuvik to Tuktoyaktuk Highway.

Due to the size of the files, they have been made available to you at the following ftp site, up until August 21:

Automatic ftp site link: <ftp://s0821034543:4913984@ftptmp.stantec.com>
Paste the link into Windows Explorer (not Internet Explorer)

Manual ftp link: <ftp://ftptmp.stantec.com>
Login name: s0821034543
Password: 4913984

KAVIK-STANTEC looks forward to discussing the reports at the upcoming technical sessions.

Sincerely,

Erica Bonhomme
Senior Consultant, Stantec Consulting Ltd.
for KAVIK-STANTEC Inc.
