Dear Mr. Nasogaluak:

Re: Vegetation Mapping and Rare Plant Surveys – Final Report

On behalf of the Government of Northwest Territories – Department of Transportation, Town of Inuvik and Hamlet of Tuktoyaktuk, KAVIK-STANTEC Inc. is pleased to submit the following reports to the Environmental Impact Review Board during its consideration of the Inuvik to Tuktoyaktuk Highway Project:

Inuvik – Tuktoyaktuk Highway Baseline Data Acquisition Program: Vegetation Mapping and Rare Plant Surveys, Final Report

Inuvik to Tuktoyaktuk Highway – Terrain and Permafrost Field Verification Program, Final Report

Each report has an accompanying 1:10,000 map atlas. Each are being provided as separate and sub-divided files, due to their file size.

KAVIK-STANTEC will be prepared to discuss these reports at the upcoming public hearings.

Sincerely,

Erica Bonhomme
