Dear Mr. Nasogaluak:

**Re: Report of Archaeological Surveys – Inuvik Tukotoyaktuk Highway Borrow Sources**

Please accept the following CONFIDENTIAL report of archaeological investigations conducted at seven borrow sources investigated during the 2012 geotechnical investigations program in support of the Inuvik to Tuktoyaktuk Highway Project under Archaeological Permit 2012-012.

The report is being provided for the Environmental Review Board's information during its consideration of the proposed Project. It is not to be distributed or placed on the public registry. Further questions about the use of this report or its contents should be directed to myself, or the Prince of Wales Northern Heritage Center.

Sincerely,

A handwritten signature in blue ink, appearing to read "Erica Bonhomme", is positioned above the printed name.
